Prices of pups can vary, depending on bloodlines and on availability

I have stunning new pups ready to go. Pups may leave the farm at 9 weeks or older. The older the better.

All pups are from very good bloodlines, pups from 1st generation imports are more expensive.

The pups are socialized and reared with love they may have "separation anxiety" for a day or two, but should settle in with new families with ease!

We send pups all over the world.

**Pups are available and ready to go. The list will be updated regularly**

**daily delivery. Can have pups at O.R. Thambo Airport at 12h00. This arrangement is suspended till further notice. Courier's vehicle out of order.**

I advertise widely on the internet and in the media.

Often, when the advert appears, within a few hours all the pups of the litter are sold.

my kennel is a mature, large kennel, I should have pups available within 2 months (have been breeding since 1984). ..once buyers are informed of the allocation dates of pups, need an answer as soon as possible... requests come in all the time, I cannot hold a pup...advertise: Animal Talk magazine, internet, Junkmail, and on my websites: [www.roodewalkennels.co.za](http://www.roodewalkennels.co.za) and [www.roodewalkennels.co.za](http://www.roodewalkennels.co.za), [www.minischnauzers.co.za](http://www.minischnauzers.co.za)

- Because: the colour changes and the pup may not end up looking like the one they expected.
- I will send a photo before delivery.
- I like choosing and confirming the pup on the day of delivery... the healthiest and best on that day
- **PLEASE DON'T BE UNHAPPY ABOUT THIS,**

**VISIT TO FARM: ( near Ermelo, Mpumalanga)**

- Anyone is welcome, but only by appointment,
- I am not always on the farm.
- I always prefer buyers to choose their own pup on farm

kennel is  
closed
